

Southwest Hockey Association

Team Development Program

GOAL

Southwest Hockey is taking an integrated approach to developing the players within our Association. Each Head Coach will be provided the opportunity to select development options for their team; which will allow for increased flexibility with scheduling and being able to focus on specific development needs for the team.

COMMON OBJECTIVES

- Develop players to be the best they can be by; building, and supporting appropriate training opportunities;
- Encourage team building activities and camaraderie;
- Strengthen on ice development as well as off-ice (dryland) training habits;

PROCESS & LIMITS

Within this letter is a list of the approved Southwest Hockey providers that teams can choose from. Each team will individually contact a provider of their choice, book session(s) according to the availability of their team, and pay the provider out of team funds. Upon submitting a Reimbursement Form to Southwest Hockey; teams will be reimbursed; up to the allowable maximums.

Teams can use companies outside of this list; however, teams will only be reimbursed by Southwest Hockey, if they use one of the approved providers from this list. Additional information is provided on the Reimbursement Form which must be submitted in order for teams to be compensated.

REIMBURSEMENT FORM

Reimbursement Forms can be found on the Southwest Hockey website under the **Manager** tab.

Only one (1) submission is allowed per team, per season. Receipts must be dated for the current season, and also contain the company name.

Submissions will be accepted between October 15th – February 1st, and are subject to final approval.

All receipts must be included with the Reimbursement Form and payment will only be issued to the team; no personal reimbursements will be issued.

Further details are provided on the Reimbursement Form.
