

Southwest Hockey Volunteer Opportunities

Southwest Hockey is a volunteer-based Association, and in order to run a quality hockey program (even through Covid-19); volunteers are needed, **and greatly appreciated!**

Due to Covid-19, not all volunteer team positions are available. This chart aims to let you know what opportunities are available; so that there is ample time to sign up for the available opportunities.

Due to some positions not being available, opportunities were increased in September. Last year there were 417 pre-season shifts, this season there are 643 pre-season shifts available!

If additional opportunities come available, positions will be posted to www.signup.com **BUT please DON'T DELAY. Take advantage of the multiple opportunities that are available NOW, and complete your bond early!!**

To sign up for Welcome Table or Dressing room shifts: visit our website under Parent > Volunteer > look for the Signup.com logo! If you have questions about the other roles below; contact volunteers@southwesthockey.ca
