Oakridge	13-Sep	MON	6:00 PM	7:00 PM	U9 PATHWAY 3 - Group 6

### Player Pathway Program

The Player Pathway Program is supported by the Hockey Canada Long-Term Player Development Model.

This framework provides the guiding principles for age appropriate and skill specific programming for all players in Hockey Canada's youth hockey system.

**Hockey Canada mandates that every U11 player must be provided a minimum of four (4) ice sessions prior to formal tryouts starting.** A player's first experience in the new hockey season should not be a formal tryout.

The Pathway Skates give players the opportunity to get back on the ice in a more 'player-friendly' environment as a way of helping to 'even the playing field'; as not all players go to hockey schools or prep camps prior to the start of the season.

This is open to FULLY registered Southwest Hockey participants **at no cost!**

**Southwest Hockey is excited to announce that we have extended this opportunity to U9, U13, U15 and U18 divisions as too!**

**Based on available ice, U9 is receiving three (3) Pathway Skates.**

**NOTE:** These sessions will be scheduled by your Age Division Evaluation Coordinator. Watch your email for updates!
